Workshop / Webinar

Democracy in the Construction of Europe: achievements, constraints, and limits, 1992-2019

16 June 2020

Due to the Covid-19 Emergency, the workshop will be lived streamed only. Pre-registration is required for both the morning session and the afternoon session. After registering, you will receive a confirmation email containing all the information about joining the videoconference.

11.00-13.00: **Piers N. Ludlow** (London School of Economics): "Creating a rod for its own back - why did the European Commission remain so keen on a stronger European Parliament, 1958-2000"

Register in advance for this meeting:
