Lecture of the EU-FLAG Module Jean Monnet Course Food Law and Globalization

Improving crop production: the potential of genome editing

Prof.ssa Maria Stella Grando, Università di Trento

April 8, 2021, 17-19

The event will take place on-line through the Zoom platform. To get the access code please contact Dr. Matteo Ferrari (matteo.ferrari@unitn.it)

The EU-FLAG (Food Law And Globalization) Jean Monnet module aims at developing a better understanding of European food law and how it interacts with the dynamics characterizing international markets, exploring the dialogic relationship existing between the rules of the agri-food sector and globalization.

Prof.ssa M.S. Grando will present the different approaches for the genetic improvement of food crops focusing on the current applications of plant genome-editing techniques.
